The District makes no representations, express or implied, that the applicant will be able to obtain the necessary permits, approvals, and authorizations from Cowlitz County or any other governmental agency necessary before applicant can utilize the utility service which is the subject of this availability request.

Receipt of Letter of Availability does not guarantee service. Application for and the possible provision of District utility service to the property which is the subject of this request shall be subject to and conditioned upon the availability of utility service to the property at the time of application, as well as all federal, state and District laws, resolutions, policies and regulations in effect at the time of such application for sewer service.
