*A \$500.00 deposit will be collected for each sewer ERU and refunded once a successful inspection by BHWSO has been completed and proof of successful final inspection from Cowlitz County Building and Planning.

**Commercial GFC is based on water meter size and may be higher than \$3,459.00

***A Local Facilities Charge may be assessed depending on the specific lot developed. If a Local Facilities Charge is assessed, it will be based on Beacon Hill Water & Sewer District Field Crew actual man hours worked and materials used.

Rates for multi-family dwellings and commercial units are based on varying factors such as water meter size and number of units. Contact Beacon Hill Water & Sewer District for a detailed cost of connection.

Currently, residential accounts are billed monthly at a flat rate of \$50.00 per unit, per month based on availability, not usage and therefore cannot be “shut off” as with other utilities.

Billing starts after an approved sewer service connection is made. If the residence or building is still vacant at that time, you may contact the office to apply for a vacancy credit upon meeting all qualifications.
